## Excess Liability Coverage for HOAs

## What is Excess Liability Coverage?

Your primary insurance policy may provide decent coverage for most situations, but it may not be enough when unexpected and costly events occur. Excess liability insurance safeguards against unexpected and costly events that exceed standard coverage, providing an additional layer of protection beyond the limits of the GL, D&O, Auto Liability, and Employers Liability insurance.

## Our Products & Services

With 20 years of experience working with stable A-rated carriers, Kevin Davis Insurance Services offers excess liability that handles unexpected expenses and protects the financial stability of your association.

### Other coverages to consider:

- Directors & Officers Liability
- Crime/Fidelity
- Cyber Risk Liability
